Location - Virtual event

Congress will soon vote on whether to advance a budget resolution that would take away TRILLIONS of dollars of support and assistance from everyday people, including the largest proposed cuts to Medicaid in history. This budget would enact \$2.5 trillion in cuts to vital public programs their own constituents depend on, including Medicaid, food assistance, and education, to help fund their massive tax giveaway for the ultra-wealthy and big corporations. Join **MoveOn, Working Families Power and Indivisible** for a national phone bank to Medicaid recipients urging them to call their Senators ahead of the upcoming budget vote to say, unequivocally, STOP THE CUTS!

C. July 17 – John Lewis’ Birthday -Good Trouble

Good Trouble Lives On is a national day of action to respond to the attacks on our civil and human rights by the Trump administration. Together, we’ll remind them that in America, the power lies with the people.

Coined by civil rights leader Congressman John Lewis, "Good Trouble" is the action of coming together to take peaceful, non-violent action to challenge injustice and create meaningful change. The civil rights leaders of the past have shown us the power of collective action. That’s why on July 17, five years since the passing of Congressman John Lewis, communities across the country will take to the streets, courthouses, and community spaces to carry forward his fight for justice, voting rights, and dignity for all.
